

## Business Development Internship (Leading to Job)

Are you a fresh graduate looking to kickstart your career in the **IT & software industry**? Are you **smart, energetic, and passionate** about exploring new opportunities in business development and client acquisition? If yes, we want you on our team!

### Who Can Apply?

Fresh graduates in:

- ✔ **Computer Science / Information Technology**
- ✔ **Business Administration / Marketing & Sales**

Candidates with **freelancing experience** or familiarity with **Upwork, Fiverr, and other freelance platforms** will have an advantage.

### What You'll Do?

- Learn and contribute to **business development strategies** for software & IT services.
- Explore and manage opportunities on **freelancing platforms**.
- Assist in preparing **proposals and presentations** for clients.
- Help identify potential clients and build **long-term relationships**.

### What We're Looking For?

- **Excellent communication & negotiation skills**.
- **Tech-savvy mindset** with a keen interest in software solutions.
- **Energetic, self-motivated, and eager to learn**.
- Ability to work in a **fast-paced and dynamic environment**.

### What We Offer?

- **Stipend-based internship** with hands-on training.
- **Opportunity to secure a permanent role** based on performance.
- Learning environment with exposure to **international clients & projects**.
- A fun and collaborative work culture.

**Location: Johar Town, Lahore**

**Duration: 3 months (leading to a permanent job)**
